Disposition of OSEHRA Resources & Other Websites

Sam Habiel, Pharm.D.

Former Tech Fellow at OSEHRA

First Virtual VistA Community Meeting, August 28-30, 2020 September 10, 2023

OSEHRA Shutdown

- OSEHRA shutdown on February 14th, 2020
- Assets transferred to WorldVistA and Logica Health
 - 501(c)3 organizations

General Archive by Logica Health

https://www.logicahealth.org/osehra-archive/

FOIA Site

- https://foia-vista.worldvista.org
 - Due to tireless diplomacy work by Nancy
 Anthracite, updates are sent by the VA to the site.
 - This happened April 2020
 - 2 months after OSEHRA shutdown
 - PPS DAT files re-started in August 2020
 - Integration Agreements updated in August 2020
 - Remember the PRD files (Reminders)

Vivian

- https://vivian.worldvista.org/
 - Updated monthly by WorldVistA
- https://vivianr.worldvista.org/

Github Repositories

- Most went to WorldVistA: https://github.com/WorldVistA
- These went to Logica Health: https://github.com/logicahealth/
 - OpenAHLTA
 - Synthea-related Repositories
 - KBS
 - eHMP
- Github content includes Wiki and Releases

Docker Hub

- All OSEHRA Docker Hub images transferred to https://hub.docker.com/u/worldvista
 - Only VEHU image is being updated today

Tech Journal

- Converted to a Read-Only Archive
 - https://journal.worldvista.org/
- Logica Health has a downloadable copy
 - See archive link above

eHMP

- There was interest by a couple of groups to try to bring eHMP back up
 - eHMP Virtual Machines were provided
 - Source code on Github is available
- No success
- Nexus Server and VMs available offline from WorldVistA and Logica Health

code.osehra.org

- Moved to https://code.worldvista.org
- Hosted clients and large KIDS builds
- Static. Not being updated.

Videos

- Archived by both WorldVistA and Logica
 - http://osehra.s3-website-us-east-1.amazonaws.co
 m/?prefix=videos
 /
 - https://resources.worldvista.org/
 - https://education.worldvista.org/
- Have no organization pages fronting the videos
- Includes: Webinars, VEHU University

Work Groups

- OSEHRA hosted many work groups. Many continued under the auspices of WorldVistA
 - popHealth
 - Reminders
 - Immunizations
- Groups that stopped meeting
 - Synthetic Patients Group, Architecture, VAPALS-ELCAP, Visualization

Left over threads from OSEHRA's closure

- OSEHRA and CRH started the process of open sourcing the Reminders Dashboard software
 - This was successfully completed in April 2020
- VistA FOIA Release process resumed in April 2020
- Code in Flight releases have been happening on Github, at https://
 github.com/department-of-veterans-affairs

Stuff that is gone!

- JIRA/Confluence
 - Logica Health has a copy
- Web pages linking to videos by subject matter
 - https://education.worldvista.org
- CDash Dashboard

Other Resources

- The original: https://hardhats.org
 - Fileman and Kernel Manuals
 - Full instructions on installing VistA
- https://smh101.com
 - My website
 - Information on Internationalizing VistA
- https://opensourcevista.net/NancysVistAServ er
 - Lots of random stuff
